An act to add Section 1349.3 to the Health and Safety Code, and to add Section 699.6 to the Insurance Code, relating to health care coverage.

LEGISLATIVE COUNSEL’S DIGEST

SB 365, as introduced, McClintock. Out-of-state carriers.
Existing law, the Knox-Keene Health Care Service Plan Act of 1975, requires, subject to specified exceptions, that a health care service plan be licensed by the Department of Managed Health Care and provide basic health care services, as defined, unless exempted from that requirement by the director of the department. Existing law also requires, subject to specified exceptions, that an insurer obtain a certificate of authority from the Insurance Commissioner in order to transact business in this state and that the insurer operate in accordance with specified requirements.
This bill would allow a carrier domiciled in another state to offer, sell, or renew a health care service plan or a health insurance policy in this state without holding a license issued by the department or a certificate of authority issued by the commissioner. The bill would exempt the carrier’s plan or policy from requirements otherwise applicable to plans and insurers providing health care coverage in this state if the plan or policy complies with the domiciliary state’s requirements, and the carrier is lawfully authorized to issue the plan or policy in that state and to transact business there.
The people of the State of California do enact as follows:

SECTION 1. Section 1349.3 is added to the Health and Safety Code, to read:

1349.3. (a) Notwithstanding any other provision of law, a carrier domiciled in another state is exempt from Section 1349, if it meets the following criteria:

(1) It offers, sells, or renews a health care service plan in this state that complies with all of the requirements of the domiciliary state applicable to the plan.

(2) It is authorized to issue the plan in the state where it is domiciled and to transact business there.

(b) Notwithstanding any other provision of law, a health care service plan offered, sold, or renewed by in this state a carrier that satisfies the criteria of subdivision (a) is exempt from all other provisions of this chapter.

SEC. 2. Section 699.6 is added to the Insurance Code, to read:

699.6. (a) Notwithstanding any other provision of law, a carrier domiciled in another state is exempt from Section 700, if it meets the following criteria:

(1) It offers, sells, or renews a health insurance policy in this state that complies with all of the requirements of the domiciliary state applicable to the policy.

(2) It is authorized to issue the policy in the state where it is domiciled and to transact business there.

(b) Notwithstanding any other provision of law, the health insurance policy offered, sold, or renewed in this state by a carrier that satisfies the criteria of subdivision (a) is exempt from all other provisions of this code.
