SENATE BILL

No. 1555

Introduced by Senator Speier

February 19, 2004

An act to add Section 10123.865 to the Insurance Code, relating to health care benefits.

LEGISLATIVE COUNSEL’S DIGEST
SB 1555, as introduced, Speier. Maternity services.
Existing law provides for the regulation of health insurers by the Department of Insurance. Under existing law, a health insurer that provides maternity coverage may not restrict inpatient hospital benefits and is required to provide notice of the maternity services coverage.
This bill would require a health insurer to provide coverage for maternity services, as defined.

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares the following:
(a) In actual practice, health care service plans have been required by the Knox-Keene Health Care Service Plan Act of 1975 (Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code) to provide maternity services as a basic health care benefit.
(b) At the same time, existing law does not require health insurers to provide designated basic health care services and, therefore, health insurers are not required to provide coverage for maternity services.
(c) Therefore, it is essential to clarify that all health coverage made available to California consumers, whether issued by health care service plans regulated by the Department of Managed Health Care or by health insurers regulated by the Department of Insurance, must include maternity services.

SEC. 2. Section 10123.865 is added to the Insurance Code, to read:

10123.865. (a) Every individual or group policy of health insurance that covers hospital, medical, or surgical expenses that is issued, amended, renewed, or delivered on or after January 1, 2005, shall cover maternity services. For the purposes of this section, “maternity services” include prenatal care, ambulatory care maternity services, involuntary complications of pregnancy, neonatal care, and inpatient hospital maternity care, including labor and delivery and postpartum care.

(b) This section shall not apply to Medicare supplement, vision-only, or Champus-supplement insurance, or to hospital indemnity, accident-only, or specified disease insurance that does not pay benefits on a fixed benefit, cash payment only basis.
